# SCHOOL OUTINGS AND EMERGENCY INFORMATION

## School Activities and Outings

A number of outings and activities are planned each year to compliment the school's academic program. Students will usually have specific activities or work as a result of an outing. In addition, a number of scheduled activities, which are part of the school program, take place away from the school site.

### Scheduled Activities

Some components of the Physical Education and Sports program are conducted outside. Recess breaks are usually taken outside the school buildings.

### Special Outings

*Parliament Buildings, Theatres/Arts Centers, Museums, Picnic Grounds and Local Parks, Municipal pools, Universities/Colleges, Restaurants, Shopping Centers, Water Parks, Fishing, Biodome, Food Bank Farms*  
Outings may also include visits to special events or other activities determined by the teacher and principal.

### Transport of Students

The students and staff travel to and from the above locations by chartered bus, public transit or by foot. In exceptional circumstances or emergency situations, where it is not possible to communicate with a parent, it may be necessary for a teacher to transport a student in his/her own vehicle. In this event, the teacher's personal auto insurance will cover the student as a passenger.
